Statement on EU Biocidal Products Regulation

Nexperia B.V. hereby declares that biocides with the specific active substance/product-type combinations in accordance with the Biocidal Active Substances List of Article 58 BPR of EU Regulation No. 528/2012 are not being used in parts or products produced by Nexperia.

The signature below verifies that statements above, including but not limited to any product composition data are, to the best of our knowledge, valid and accurate. Nexperia has implemented systems to ensure our products are compliant to global environmental regulations and laws. However, not all materials in Nexperia's products may have been independently verified regarding substance content. In the event of any issues arising from information in this document, Nexperia's standard terms and conditions of sale shall apply, unless alternate contracts have been agreed upon in writing by both parties.

Nexperia cannot warrant that products from Nexperia's customers, in which such Nexperia products are incorporated, will not in turn adhere to this statement.
